FREE ENTERTAINMENT N. C. HIGHLIGHTS STATE FAIR Doc.

Anita Bryant

Entertainment by such big-name stars as Anita Bryant, Roy Clark, Jerry Reed, Susan Raye, Festus Haggen and Ray Stevens won't cost a nickel during the 107th North Carolina State Fair, October 18-26.

Fair officials have announced, for the second consecutive year, free entertainment in Dorton Arena, each night during the Fair this fall.

In addition to the Arena programs, daily entertainment will also return to the outside stage during the '74 show. Five performances each afternoon by the Dupont Marionettes will be accompanied by the Spurrlows and the Conti Family, singing

groups of national acclaim. The outdoor program will also highlight local band concerts and other activities.

The Scott Pavillion, newest building on the grounds will be a beehive of activity, housing some of the more than 11,000 exhibits displayed by 3,000 tarheels from throughout North Carolina. Two charter-spheres will house special exhibits telling the stories of cotton and pork.

Other areas of attraction will be the ever-growing flower show, the popular village of yester-year, the wildlife exhibit, the new farm machinery building and children's barnyard.

As always, children of all ages will thrill to the excitement of the rides and shows of the James E. Strates shows on the midway and the grandstand activities including Jack Kochman's Hell drivers, tractor pulling contests and daily horse show programs in the same general area.

The largest fireworks display ever assembled for the Fair, will be a part of the nightly grandstand show each evening of the nine-day run.

Official opening ceremonies will be held at the main gate the first day around 4 p.m. and will include State, City and State Fair officials. Music will be provided by one of the area high school bands and one of the military bands stationed in the state.

Last year's Fair, held under ideal weather conditions, drew a record 588,000 and coupled with the free entertainment packages, was considered the most successful event in the more than 100-year history of the Fair.

Premium List Offers \$100,000

Don't miss out on the chance to win 1974 State Fair premiums.

Last year, more than \$82,000 was paid to top entries in the Fair's many categories of competition. This year, we will offer approximately \$100,000 in prizes.

During 1973, there were more than 11,000 exhibits involving approximately 3,000 exhibitors from all but a few of North Carolina's 100 counties.

Entries make up 32 different departments within five divisions, General, Livestock, Poultry and Rabbits, Homemaking and Women's and Special Events.

For details, consult the official premium list, which will be mailed in July.

JAMES E. HOLSHOUSER, JR.
GOVERNOR

Dear State Fair Contestants:

On behalf of the hundreds of thousands of people who visit the North Carolina State Fair this year, I want to thank you for your participation in this 107th annual event.

As entries in the many contests of skill, craftsmanship, creativity, and care, you represent both outstanding interest and achievement in specialized areas.

Contestants and their products are major attractions to our State Fair. We are extremely proud of our Fair and are most appreciative of contributors, such as yourselves, who make it an annual success.

I express to you, again, my personal thanks for your entry and wish you the best of luck in the competition.

See you at the Fair.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jim Holshouser".

JAMES A. GRAHAM
COMMISSIONER

Dear Fellow Tarheels:

I consider it a privilege to solicit your support in making the 107th North Carolina State Fair the best ever.

Agricultural commodities produced and sold from throughout the state will be highlighted with special emphasis being placed on cotton and pork. The importance of these two commodities will be emphasized from production through marketing in gigantic geodetic domes near Dorton Arena - a truly spectacular event.

Our Fair Theme for 1974 will center on Safety. I personally feel that all citizens of the state cannot place too much value on the importance of this aspect of our daily living. We must be more cautious, not necessarily because of stringent requirements by Federal and State Agencies, but because of our own good and safety habits.

The 1974 State Fair will certainly be the biggest and best ever because of continuous ground and facility improvements. The new Governor Scott Exhibit Building will be spectacular and provide a more beautiful and meaningful way of displaying North Carolina products and educational emphasis.

So come on out and be counted as a fellow Tarheel and have fun and enjoy the 1974 State Fair which is for you and your family.

See you there.

Cordially,

James A. Graham

Information And General Rules For Exhibitors And Patrons

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come directly to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

All dining halls, lunch stands, refreshment booths, and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place. No soft drinks may be sold in bottles.

Parties owning buildings upon the State Fair grounds must notify the manager thirty (30) days prior to the opening of the Fair as to whether they desire to occupy the same or not, and if so, make arrangements with the superintendent of the department for such occupancy. Failure to comply with the provisions of this rule will cause the forfeiture of the use of such building or buildings by the Fair management.

Any party or parties, firm or corporation owning buildings or material upon the State Fair grounds without lease, or whose lease has expired, who shall fail to remove same upon order of the manager within the time specified, shall forfeit all claim thereto, and the Fair management may take charge of and remove same, charging expense attached thereto to the owner or owners thereof, which expense or claim must be paid before material is released to the owner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard

thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, or misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

SERVICES

The Southern Bell Telephone Company will maintain complete service and toll stations at convenient points on the FAIRGROUNDS.

An Information Bureau and office for reporting and recovery of lost and found articles will be maintained on the State Fairgrounds. This service is free and will be cheerfully given. Please do not ask for the use of the Public Address System to locate "lost" persons except small children and in emergencies, or where school bus drivers and other group leaders desire to announce departure times.

An office for the use and convenience of representatives of the Press, and Radio and Television Stations, will be maintained with telephones, typewriters, and other facilities. It will be a pleasure to supply authentic information of news value about the Fair, including lists of premium awards. Arrangements may be made in advance for special Press, Radio and Television coverage of the Fair by competent trained personnel.

The American Red Cross will maintain an emergency hospital and first aid station at the Lounge, with trained attendants in charge at all times.

Adequate toilet facilities for men and women are maintained throughout the grounds. ATTENDANTS ARE NOT ALLOWED TO CHARGE FOR USE OF THESE FACILITIES.

In order for the State Fair to maintain a complete file of pictures for the use of Press and Television services, exhibitors and patrons are requested under no obligation to purchase pictures, but may arrange directly with the photographer for this service if they so desire.

The Fair will furnish free the original bedding for each stall and pen, but exhibitors are required to care for and feed their own animals and they must keep stall and pens clean and well bedded thereafter.

The State Fair will employ police, guards and traffic directors, and will use diligence to promote safety and protection of patrons, and their exhibits and property on the Fairgrounds. But, under no circumstances will the Fair or any of its officers and employees be responsible for loss or damage to persons and their property (including entries, exhibits, automobiles in parking lots, and articles left in cars) because of accidents, theft, fire, the elements, or other conditions.

Articles and animals shipped or mailed to the Fair for exhibit will be

accepted only if ALL CHARGES ARE PREPAID. Be sure packages mailed or shipped are properly addressed in accordance with instructions for shipment listed later in this section under "Exhibits and Exhibitors."

INCOMING MAIL and parcels addressed to exhibitors, patrons, concessionaires and others connected with or attending the Fair should be called for at the Information office. No responsibility can be assumed for delivery. Messages telephoned, telegraphed or delivered to the Manager's office for persons exhibiting at, attending, or connected in any way with the Fair, will be accepted for delivery only at the convenience of the Office Staff, and as the time permits. No responsibility will be assumed for delay or non-delivery of such messages.

Workers' Permits are issued only to those directly connected with the operation of the fair.

Sufficient electric light and power service will be furnished by the Fair to properly illuminate and service the exhibition buildings and grounds. Exhibitors and concessionaires requiring individual electric light and power service in their booths and stands of more than 30 amps 115-230 volts will need to make application through Administration Office. ONLY THE OFFICIAL STATE FAIR ELECTRICIANS MAY MAKE INSTALLATIONS AND CONNECTIONS.

Where outside wiring is necessary, a fixed charge of \$5.00 will be made for each 50 feet or fraction thereof for making connection. All materials must be supplied by the applicant.

If located inside of building where wiring exists, any additional labor or material must be paid for by the applicant.

No service will be given for less than minimum charge of \$5.00.

The charge for electric current for power and lights will be as follows: 6¢ per kilowatt hour. Motors will be rated on amperage per kilowatt hour.

The current is alternating single phase, or 3-phase, 60 cycles, 120-220 volts.

Electric stoves, grills, percolators, waffle irons, and all electrical equipment must not be connected until Fair Electrician has granted permission.

Trucks and other vehicles to service exhibits and concession stands will be permitted on the grounds ONLY between the hours of midnight and 10:00 a.m. daily. Permits for entry of service trucks and vehicles must be obtained in advance of the opening of the Fair from the Manager's office.

Additional information to that contained in this publication, and interpretation of any of the rules and regulations of the Fair may be obtained by writing or communicating with: MANAGER, N. C. STATE FAIR, 1025 BLUE RIDGE BLVD, RALEIGH, N.C. 27607 (Telephone: 832-7549).

ENTRIES

MAKE ALL ENTRIES EARLY!!! The right is reserved to reject any entry, and all entries received after all space is taken must be rejected.

You will find the **CLOSING DATES FOR ENTRIES** set out in the Rules and Regulations and the general headings of each of the various departments. These dates **VARY WITH THE SPECIAL REQUIREMENTS OF THE SPECIFIC DEPARTMENT**. Check these Closing Dates carefully.

SEPARATE ENTRY BLANKS are required for entries in each of the departments. Request the Entry Department supply you with an adequate number of entry blanks.

Competition is **OPEN TO THE WORLD** in the Rabbit Department, Poultry Department, Dairy Cattle Department, Beef Cattle Breeding Animal Department, in the Swine and Sheep Departments and the Horse Show. Poultry entering the State for Exhibition shall be accompanied by a permit from the State Veterinarian of North Carolina or his authorized representative.

In all other divisions and departments competition is **LIMITED TO RESIDENTS OF NORTH CAROLINA**. **NO DEPARTMENT SUPERINTENDENT OR DIRECTOR, OR MEMBERS OF THEIR IMMEDIATE FAMILIES MAY ENTER EXHIBITS IN THEIR RESPECTIVE DEPARTMENTS.**

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms **MUST BE USED** in making applications for entry.

One will be found in the back of this book. **USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT.** *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Additional application forms are available upon request to: **MANAGER, N.C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N.C. 27607.**

Incomplete entry forms will be returned for correction if there is time to do so, but **REMEMBER:** No article or animals will be entitled to exhibit space until proper entry has been made, and no entry will be accepted after the closing date listed for the department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent or Director in charge, **AND THEN ONLY IN THE OFFICE OF THE "ENTRY DIRECTOR."** If the records are altered and do not

conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations.). Collections and displays must be made up of specimens other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEADNOTES OF THESE DEPARTMENTS FOR SCALE OF FEES.)

Application forms for entry should be mailed to: MANAGER, N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N.C. After October 7, 1974 the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from October 7, until October 27, 8:30 A.M. - 6 P. M. except Sunday, October 20 from 1-6 P. M. The Sunday following the fair the department will open from 8 A.M. to 6 P.M.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Department.

Remember! All exhibits must be officially entered in the Fair, on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED, but will be available at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director, who will allocate space and either personally arrange the exhibit in a suitable and attractive display, or direct such action by the exhibitor.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: MANAGER, N.C. STATE FAIR, 1025 BLUE RIDGE BLVD, RALEIGH, N.C. 27607, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed **MUST BE PREPAID**. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

All carload shipments by freight, for exhibition purposes, should be billed as follows: **FOR EXHIBIT, N. C. STATE FAIR, CAMP POLK, N. C., c/o S.C.L. RAILWAY**. Exhibits so billed will be delivered to the Fairgrounds without extra switching charges. Attention of exhibitors is called to tariff rules, governing the shipment of certain types of articles for exhibition at expositions and fairs, and providing for free return of such exhibits when accompanied by a certificate from the Manager of the Fair certifying that such shipment was on exhibition and ownership of same has not changed. Intending exhibitors should consult their local freight agent for particulars governing Fair shipments, as some types of exhibit material are not returned free and other conditions enter in if shipment is not returned direct. If your local agent is not able to give you full particulars, write the Manager of the State Fair.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within

one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, and materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager or Administrative Officer of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER OR ADMINISTRATIVE OFFICER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sub-let without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit building for parking until midnight, Thursday, October 17, 1974. Special parking facilities for the Livestock and Poultry Division will be provided at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will

appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and the exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 1974, after which time the books of the 1974 Fair are closed.

The following colors of ribbons will be used to designate awards:

Champion	Royal Purple
Reserve Champion	Lavender
First Premium	Blue
Second Premium	Red
Third Premium	White
Fourth Premium	Pink
Fifth Premium	Yellow
Sixth Premium	Dark Green
Seventh Premium	Light Green
Eighth Premium	Tan

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to entries from North Carolina, with Division open to all North Carolina Residents.

ENTRIES: Please note entry dates as specified in each Division. Where made by mail, Advance Entries should be **MADE EARLY**. List **ALL CUT FLOWERS** you expect to have as it is much easier to "mark off" the flowers that do not bloom in time, than to have to make tags and special entries at the last minute.

LOCATION: The Flower Show is on the west side of the grounds by the lake. Entry to the area should be made through the Youth Center Gate. You are permitted to drive on the grounds only to unload your flowers.

RELEASE OF EXHIBITS: They must be picked up on **Sunday, Oct. 27th between 8:00 and 4 P.M.,** and **EXHIBITS NOT CLAIMED** will be considered abandoned and the State Fair will not be in any way responsible for them after that date and hour.

SPECIAL NOTE: It is suggested that in hardening your flowers for exhibit that they **BE CUT EARLY IN THE MORNING** and **PLACED IN WARM WATER** (120 to 140 degrees). **TO KEEP THEM OVERNIGHT** they should be kept in a **COOL PLACE**. If available, cut flowers should be kept in a **COOLER** at **ABOUT 40 DEGREES**.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations will govern all entries and competitions in this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after available space is taken.

All plant material exhibited in specimen classes **MUST** be **GROWN** by the exhibitor.

Unightly exhibits may be removed at discretion of the superintendent.

Where there are fewer entries than required to fill a class, the judges may award a prize of such rank as the exhibit deserves. Unworthy and/or substandard exhibits will not be placed.

All exhibits will be under the supervision and care of the Show Superintendent. Proper attention will be given and every effort will be made to prevent theft or damage, but the North Carolina State Fair or the Show Superintendent assumes **NO** responsibility for loss of personal property of the exhibitors. Dead flowers will be removed and the ribbons held in the Department.

Each exhibitor may make one entry only in each class, and no entry may be entered under more than one class. Each exhibitor may enter as many of the "open" classes as desired. Artificial flowers are not permitted.

MAIL ENTRY BLANKS EARLY, TO: Entry Dept., N. C. State Fair, 1025 Blue Ridge Blvd. Raleigh, N. C. 27607. Be sure to include your full address, including ZIP CODE, on entry blank.

FOR CLASSES II & III—VEGETABLES

JOE GOURLEY, N. C. Department of Agriculture, Retired.

JUDGES:

DR. HOWARD ROLLINS, Head of Horticulture Department, Ohio State University, Columbus, Ohio.

DR. P. H. MASSEY, Associate Dean, Virginia Polytechnic Institute and State University, Blacksburg, Va.

INFORMATION FOR EXHIBITORS

COMPETITION: Limited to Residents of North Carolina (All PRODUCTS EXHIBITED IN THIS DEPARTMENT MUST HAVE BEEN GROWN IN NORTH CAROLINA BY THE PERSON OR FIRM IN WHOSE NAME THE EXHIBIT IS ENTERED.)

ENTRIES CLOSE: Thursday, October 17, 1974, at 2:00 p.m.

EXHIBITS MUST BE IN PLACE: Thursday, October 17, at 6:00 p.m.

JUDGING STARTS: Friday, October 18, 1974 at 8:00 a.m.

RELEASE OF EXHIBITS: Sunday, October 27, 8 a.m.-5 p.m., and POSITIVELY NOT BEFORE THAT DATE AND TIME.

Exhibits (except apples-see Special Note below) unclaimed by 5:00 p.m. October 27 will be considered abandoned and the Fair will not be responsible for them after that time.

SPECIAL NOTE !!

Because of the extended duration of the N. C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. Premiums were increased to compensate for this and all exhibited apples will become the property of the N. C. State Fair at 5:00 p.m. of the closing day. Any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

Rules and Regulations

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will

govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in **EACH CLASS**—"1" Fruits and Nuts, and "2 and 3" Vegetables, of this department, and separate forms for entries in each other department of the Fair. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

List the Department Letter "G" for Horticulture and the Class Number "1" for Fruits or Nuts, and "2 and 3" for vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all Horticultural Products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds no later than Wednesday, October 16, and should be addressed to: Superintendent, Horticulture Department, N. C. State Fair, 1025 Blue Ridge Blvd. Raleigh, N. C. 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, the Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish, **PLATES, QUART AND PINT CONTAINERS, CORRUGATED CARTONS FOR SWEET POTATOES, AND TRAYS** for exhibits, but no other containers. The number of specimens for each **PLATE** display is specified in the premium list. *Standard size tray, 11½ x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit.

To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

<i>Variety</i>	<i>Diameter</i>
Arkansas	3 to 3½ inches
Bonum	2¾ to 3 inches
Delicious and named bud sports	2¾ to 3¼ inches
Grimes	2¾ to 3¼ inches

Jonathan	2¾ to 3 inches
Golden Delicious	2¾ to 3¼ inches
Rome and named bud sports	3 to 3½ inches
Stayman and named bud sports	3 to 3¾ inches
Winesap	2¾ to 3 inches
York and named bud sports	3¼ to 3¾ inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. Any exhibit that rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.

Quality—Not Quantity

In selecting Horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, **BUT MAINLY ON THE BASIS OF QUALITY.** Do not knock or shake fruit from the tree, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of Commercial containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard containers.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. **AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.**

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

THE COTTON PATCH

In 1971 the North Carolina State Fair eliminated competition in the field crops division and began to highlight one crop per year. In 1971, it was soybeans, 1972 it was peanuts 1973 it was corn, and in 1974 it will be cotton. There will be a complete exhibit featuring the production, marketing and utilization of the cotton crop. The exhibit will be housed in an 80 foot geodesic dome near Dorton Arena. It will be a combined effort involving the N. C. State University, the N. C. Department of Agriculture and the many individuals and firms involved with the cotton crop and cotton products.

List, also, on the application form the name (or ear tag number) and registry number of each animal entered, its date of birth, its sex, the names (or ear tag numbers) and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must have owned the animal at least 30 days prior to the closing date for entries in the department. Also all dairy cattle exhibitors must show official evidence of ownership of animal prior to showing. (See exceptions to this rule for group classes only in some departments).

Each breed of Livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 1975 N. C. State Fair Premium List.

Fees

Stall or pen fees are required for all entries in the senior and open classes of the Livestock Division. *Entries exclusively in the junior livestock shows are not subject to stall or pen fees.*

All applications for stall spaces and pens must be noted on the entry form, **AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM.** Reservations will not be made unless accompanied by the required fee, and **REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.**

Be sure to indicate on the form the total number of stall spaces or pens you will require, *including those to be used for gear, feed and bedding.* Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle Barns, each stall space	\$3.00
Swine Barn, each pen	1.00
Sheep Barn, each pen	1.00
Horse stalls, each per 24 hours	5.00
Individual Steer	3.00
Cattle (pens of 3)	5.00
Cattle (pens of 5)	7.50

Health Regulations

The health regulations of the Veterinary Division of the N. C. Department of Agriculture governing all fairs in North Carolina will be strictly

enforced this year. These regulations are as follows:

Dairy Cattle and Beef Cattle

Cattle may enter the fairgrounds for exhibition purposes provided they are accompanied by an official Health Certificate signed by an accredited, or state or federally employed veterinarian and approved by the State Veterinarian of the State of Origin. A copy of the approved Health Certificate shall be forwarded to the State Veterinarian of North Carolina before arrival of the animals. It is recommended that this be done no later than September 30. The certificate shall contain the name of the consignor and an accurate description of the animals including registration, tattoo or ear tag numbers. The certificate shall contain a statement that no animal described on the certificate is infected with or has been exposed recently to any communicable disease.

In addition the Health Certificate shall contain information indicating that each animal:

1. Originates from a certified Brucellosis-Free Herd* in a certified Brucellosis-Free or modified certified area; or

2. Originates from a herd not under quarantine in a certified Brucellosis-Free or modified certified area and has passed a negative official blood test for Brucellosis within 60 days of admission to the Fair, except that cattle under eight (8) months of age and officially Brucellosis vaccinated Dairy Heifers under twenty (20) months of age need not be tested; or

3. Originates in a certified Brucellosis-Free Herd* in a non-modified certified area and has passed a negative official blood test within 60 days of admission to the fair, except that cattle under eight (8) months of age, and Heifers of the Beef Breeds less than twenty-four (24) months of age need not be tested for Brucellosis.

And

1. Originates in an accredited tuberculosis-free herd** which has been tuberculin tested within the past twelve (12) months; or

2. Originates from a herd not under quarantine in a modified accredited tuberculosis area and has been tuberculin tested with negative results within 60 days of admission to the fair.

Health certificates for exhibition cattle are valid for sixty (60) days from the date of issue, but not to exceed 60 days from the date of any required test.

*Herd certification number must be shown on health certificate.

**Herd accreditation number must be shown on health certificate.

Sheep

All sheep exhibited must be accompanied by an official health certificate issued by a qualified veterinarian and approved by the State Veterinarian certifying that such sheep are free from any symptoms of a contagious or infectious disease; that they are from premises where no known contagious or infectious disease of sheep exists and should designate they are free from scabies and exposure to same.

Sheep originating from scab eradicated areas are to be from scab free flocks and the individuals exhibited shall be dipped under Federal or State supervision within 10 days of date of entry.

Swine

All swine exhibited must be accompanied by an official health certificate issued by an accredited, or State or Federally employed Veterinarian certifying that no animal listed on the certificate is infected with or has been exposed recently to any communicable disease. The certificate shall contain the consignor's name and address, and an accurate description of each animal including registration, tattoo or ear tag number.

Health certificates for exhibition swine are valid for 60 days from the date of issue. The health certificate shall show that swine 5 months or more of age were negative to an official blood test for Brucellosis within 60 days of admission to the fair, provided that swine originating from a validated Brucellosis-free Herd are not required to be tested.

Exhibits and Exhibitors

Only vehicles operated by the fair management will be allowed in the barn area between 9:00 a.m. and 5:00 p.m. after entry time.

The Fair management will use diligence to insure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits.) All stalls (except entries in Special Junior Dairy Cattle Exhibits.) All stalls and pens will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have had their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 5:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals or inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, such as lifting or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be thrown where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor. The Fair management will not pay any charges for express, freight or drayage. To avoid switching charges and delay, rail shipments should be billed as follows: "For Exhibit, N. C. State Fair, Camp Polk, N. C. c/o Seaboard Air Line Railroad." Shipments via express or motor transport should be addressed to the exhibitor, or to: Livestock Superintendent, N. C. State Fair, Raleigh, N. C.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONEYS IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First," "Second" and "Third." He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Superintendent by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained by an impartial Protest Committee appointed by the General Livestock Superintendent.

No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

Herdsmen's Contests

Special prizes will be awarded in contests for herdsmen, shepherds and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required.

The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the Herdsmen's contests making their decisions:

	Points
Condition and cleanliness of herd or flock	20
Neatness and cleanliness of herdsmen and helpers	10
Courtesy and deportment of herdsmen and helpers	8

RULES AND REGULATIONS

Except in cases of conflict, in which case the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office number, or city street address, and Zip Code.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, *including those required for gear, feed and bedding.* For entries in the senior classes, payment of \$3.00 fee for each stall space requested must accompany your application. No fee is required for entries exclusively in the Junior Show provided they are tied in the section set aside exclusively for juniors. Junior entries wishing to show in the open show will be required to pay stall fee in accord with open show regulations.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bonafide owner, who must have owned the animal for at least 30 days prior to August 1, 1974.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. Every bull 36 months of age or older must have had dropped to his service during the last 12 months prior to the opening date of the Fair a living calf. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information, TO: MANAGER N.C. STATE FAIR, 1025 Blue Ridge Blvd. Raleigh, N. C. 27607.

THE PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of The Purebred Dairy Cattle Association to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, the PDCA believes that it is in the best interests of the breeders of registered dairy cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring. It recognizes that there are certain practices in the proper care and management of dairy cattle, which are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the cataloging, handling and presentation of cattle in the show ring which are unacceptable.

The following practices or procedures are considered unacceptable and defined as being unethical in the showing of registered dairy cattle:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Balancing the udder by any means other than by leaving naturally produced milk in any or all quarters.
3. Setting the teats with a mechanical contrivance or with the use of a chemical preparation.
4. Treating or massaging any part of the animal's body, particularly the udder, internally or externally with an irritant, counter-irritant, or other substance to temporarily improve conformation or produce unnatural animation.
5. Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment excepting normal exercise.
6. Blocking the nerves to the foot to prevent limping by injecting drugs.
7. Striking the animal to cause swelling in a depressed area.
8. Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide or hair. Not included is the removal of warts, teats and horns, clipping and dressing of hair and trimming of hooves.
9. Insertion of foreign material under the skin.
10. Changing the color of hair at any point, spot or area on the animal's body.
11. The use of alcoholic beverages in the feed or administered as a drench.

12. Administration of a drug of any kind or description internally or externally prior to entering the show ring, except for treating a recognized disease or injury and for tranquilizing bulls that may otherwise be dangerous or females in heat. For the purpose of this Code, the term "drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous system of a cow.
13. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or show.

In keeping with the basic philosophy of The Purebred Dairy Cattle Association, ethics are an individual responsibility of the owner of each animal shown. Violations of this code are subject to the disciplinary provisions of the appropriate dairy breed association.

Senior "Open" Dairy Show

EDUCATIONAL EXHIBIT

An exhibit, showing important developments in dairy production of North Carolina's growing livestock industry, will be arranged and presented by the Animal Science Department of North Carolina State University, with the advice and cooperation of the Livestock Advisory Board and the State Fair management. For this purpose, the following award is made to help defray the costs of arranging and presenting this exhibit:

J 1— \$300.00

HERDSMEN'S CONTEST

	First	Second	Third	Fourth	Fifth
J 2—	\$50.00	\$40.00	\$30.00	\$20.00	\$10.00

All herdsmen in charge of dairy animals entered in the Senior "Open" show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Tuesday, October 22 at noon and will continue through Saturday, October 26 at 6:00 p.m. at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

Health Regulations

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING PARLOR

A modern milking parlor with trained operators is available for exhibitors with lactating cows. This facility, initially sponsored and constructed by the North Carolina Purebred Dairy Cattle Association and the N. C. State Fair, is an outstanding facility for presenting to the milk consuming public the story of the production of clean wholesome milk. The impressions formed by people are very important in their decisions to drink milk and these impressions are not good when they see cows milked in dirty feed pails in the barn. *Thus, exhibitors are urged and expected to cooperate in using the milking parlor during the fair.* Exhibitors are urged to wear white coats while milking. If exhibitor does not use the milking parlor, then cows *must be milked with machines or into pails approved by Wake County Health Department officials.* The parlor will be in operation during the Fair week, and exhibitors can milk at any time during the day or night, but are urged to use a standard milking time if possible. The net returns from the sale of milk produced in the parlor is used for the N. C. Purebred Dairy Cattle Scholarship in Dairy Husbandry.

PRODUCTION CREDIT FOR MILK BASE ALLOTMENT

Milk base allotment will be granted by the N. C. Milk Commission for the production of milking cows being exhibited at N. C. State Fair. The average daily production for the number of days away from the farm will be used. Production data should be certified by DHIA supervisor or dairy plant and number of milking cows at show and days away from farm are to be certified by Superintendent of Dairy Cattle Show.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here—with for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! THE RIGHT IS RESERVED AND WILL BE USE TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces (four feet wide) you will require, includ-

ing those you will need for gear, feed and bedding. Payment of a fee of \$3.00 for each stall space requested must accompany your application.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after the judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1974. No exhibitor may win more than two premium moneys in any one class.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinary Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

JUDGING: Monday October 21 at 2:00 p.m. Swine Barn Arena

Except as noted, all the rules and regulations of the Swine Department, the Livestock Division, and the General Rules and Regulations of the Fair will prevail in this show. **BE SURE TO READ ALL THESE RULES BEFORE MAKING YOUR ENTRIES IN THE JUNIOR SWINE SHOW.**

The Junior Swine Show is open only to North Carolina boys and girls, who are members of the 4-H, FFA and FHA, and enrolled in school in grades from four through twelve.

All animal and registration papers must be presented to the Superintendent of the Show before animals are driven in the ring. The animals must be registered with the respective breed association in the name of the Junior Exhibitor.

Each Junior Exhibitor is eligible to enter:

2 Junior Boars; 2 Senior and 2 Junior Females.

Entries will be judged under the Danish system, with the exception of the top 2 placings in each class. The top 2 animals of each Junior Show class will be eligible for competition in the Open Show. However, an individual Junior exhibitor may bring only one (1) animal from the Junior Show into any particular class of the Senior Show.

Junior animals are released immediately following completion of the Junior Show and must be taken home unless Junior exhibitors elect to exhibit eligible animals in Open Show. In such cases release time will be the same as for the Open Show.

RULES: Except where noted, the general rules of the Fair and of the Livestock Department will apply and govern this Show.

JUDGING:

Classes will show on Tuesday, October 22 at 7:30 p.m. in the following order; lightweight, mediumweight and heavyweight.

NOTE: NEW SHOW TIME

The show is open to purebred or crossbred barrows weighing between 180 and 240 pounds. Entries are not limited to exhibitors in the Senior or Junior Swine Shows.

An exhibitor (individual, firm, family or herd) may show 2 entries in each class or a maximum of 6 animals.

All of the animals as placed on foot will be slaughtered and will be eligible for premiums in the respective on-rail classes. However, the Judge is instructed to disqualify and eliminate from competition any defective or unsound animals. Barrows that are obviously over age and barrows that are late castrates can also be disqualified and eliminated. All barrows will be sold to a packer as determined by the Livestock Director.

The Carcass placing will be on the basis of certification requirements, Ham-Loin Index, and Carcass Quality as determined by the Carcass Evaluation Committee.

STATE FAIR SALUTES...

CHICK PARRISH

The North Carolina State Fair is privileged to pay a tribute to Chick Parrish. Cliff F. (Chick) Parrish is known to Poultrymen from Murphy to Manteo as "Chicken Parrish". Chick acquired this name due to a pleasing personality, a willingness to help his fellowman and living a life devoted to the Poultry Industry of North Carolina. Chick retired from the North Carolina Extension Service December 30, 1963, where he directed the Poultry Service Work.

RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address, and zip code.

In filling out the form, write "Poultry" or the department letter "Q" in the first column headed: "Dept." In the next column headed: "Class No." write the letter "A" if your bird is entered in the "Production Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a S. C. Production Red pullet in the Production Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." **BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR.** Important: **LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.**

A coop fee of 25c for each bird to be exhibited **MUST ACCOMPANY YOUR APPLICATION FORM.** Space cannot be reserved until receipt of this coop fee, and, remember: The right is reserved to reject entries after all available space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. No carload or professional string-man exhibit will be allowed to compete, except those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Poultry Department, N. C. State Fair, P. O. Box 5565, Raleigh, 27607. Return shipments, or re-shipments will be made with transportation charges **COLLECT.**

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle

fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection (revised edition) will be the guide of the judges in awarding premiums. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. Bases for Protests: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to: MANAGER, N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

HEALTH REGULATIONS

Poultry

The health regulations of the Veterinary Division of the North Carolina Department of Agriculture will be enforced.

They are:

1. All poultry exhibited at the North Carolina State Fair shall have been owned by the exhibitor for sixty (60) days or more. Exhibitors will execute the "Poultry Exhibitor Certificate" in the back of this book.
2. All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid clean or equivalent flocks or have had a negative Pullorum-Typhoid test within ninety (90) days (30 days for out-of-state birds) of admission to the Fair, or (for North Carolina birds) the test requirements may be satisfied by a negative test conducted by an official State tester at the time of entry, when birds are delivered at the Fair. The fee for Pullorum-Typhoid testing at the fairgrounds will be 6 cents per bird with a minimum fee of \$1.00 per exhibitor.
3. No bird shall have received a live virus vaccine within 30 days.
4. All birds must be identified with tamper-proof bands. Bands placed on birds tested at the fairgrounds by State testers will satisfy this requirement.
5. Birds are subject to examination (including blood test and swabs) by a representative of the North Carolina Department of Agriculture. Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.
6. Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.
7. Out-of-State birds will be admitted provided a permit has been obtained from the State Veterinarian of North Carolina or his authorized representative. All of the above requirements must be satisfied before this permit will be issued.

North Carolina State Fair Youth Center

General Information. Rates and Availabilities

The North Carolina State Fair Youth Center is a modern, four-building group consisting of two dormitories, a cafeteria-recreation hall, and the office-home of the superintendent. It is located in a wooded area of the North-west corner of the grounds above one of the lakes. It was built as a home-away-from-home for exhibitors at the Fair. During Fairtime the Center is operated by a staff of experienced men and women.

Throughout the year, other than at Fairtime, the facilities are available to both youth and adult groups (representing schools, civic clubs, churches, etc.). The accommodations are excellent for groups wishing to stay one or more nights in the Capital City while visiting the many points of interest in "The Magic Research Triangle" of Raleigh, Durham and Chapel Hill. The rates are very reasonable. While the cafeteria is operated only at Fairtime, good meals are obtainable nearby, and those wishing to prepare certain meals often bring foods for breakfasts and "cookout" or picnic suppers, and their small electric appliances. The electrical outlets of the recreation hall may be used for this purpose. The delightful location of the Center makes it an ideal spot for outdoor meals, while the recreation hall provides game and play space in case of inclement weather.

At Fairtime, arrangements for lodging and meals are made by the Vo-Ag Teachers, 4-H Leaders, and extensions Agents of each county. Reservations should be requested well in advance, and all applications (with deposit) mailed to RESERVATIONS MANAGER, The Youth Center, 1025 Blue Ridge Blvd, Raleigh, N. C. 27607 Fairtime Rates: See Reservation request in Back of this Book.

In setting up the North Carolina State Folk Festival in 1948 our sponsors had a two-fold purpose in mind:

First: To provide additional high type and wholesome entertainment for the Fair visitors, especially those of our own State and their children who have a material and cultural interest in the Fair proper, and

Second: To encourage and foster efforts among the people of the State to preserve and develop our rich heritage of native folk arts in the forms of balladry, folk song, Gospel singing, traditional folk games and dances, and string music; to the end that the benefits derived from seeing this material presented at its best may be extended to other interested recreational and social groups throughout the state who prize its value.

TROPHIES will be awarded the Champion Bricklayer and his employer by Carolinas Branch, Associated General Contractors of America, Inc., and Brick and Tile Service, Inc. TOOLS donated by manufacturers and suppliers will be presented to all contestants.

Designed to promote interest among young Tar Heels in the skilled construction trades, the Apprentice Bricklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 30 apprentices usually match their skills in the contest, according to the records of the last few years.

The bricklaying contest dramatizes a program which the State has sponsored through the past two decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workmen. At present, approximately 9,000 young people are receiving apprenticeship training on the job under direction of journeymen, supplemented by related classroom instruction. The apprentice "earns while he learns."

Contest sponsors include the following:

1. N. C. State Fair
2. Apprenticeship Division, North Carolina Department of Labor
3. Brick Association of North Carolina
4. Bricklayers, Masons and Plasterers International Union, N. C. Conference

DEPARTMENT "DD"

SUPERINTENDENT:

JAMES M. CHAMBERS, Director of Parks and Recreation, City of Raleigh, Retired.

COMPETITION:

Limited to residents of North Carolina who have reached or passed the age of 65 years.

As usual, this will be the most important day of the Fair since YOU have been invited as a special guest and will be recognized upon your arrival. It will be a day of fun for you and all of the senior citizens of the State. You will be seated in the Dorton Arena at 11:00 A.M., Monday, October 21 where you will be entertained with a program you will long remember.

In the past, we have had various contests and had you performing on the stage. This year we will not have an actual contest — everyone will be a winner by just being present. Of course, we will recognize the oldest senior citizen and the one who traveled the most number of miles in order to attend. Our plans this year are to entertain you with many fine acts from the shows and let you hear out good Governor tell you how much he appreciates all of his senior citizens.

The State Fair Management has presented many Senior Citizens of the Old North State an annual lifetime pass to the Fair. It is your permanent admission to the fairgrounds. We hope you will always cherish and respect this token of appreciation and will use it every chance you have. Should you know of other senior Tarheels who are 65 years of age and older who have not received their pass, please tell them to contact the N. C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N. NATIVE WILDLIFE OF NORTH CAROLINA

DEPARTMENT "FF"

SUPERINTENDENT:

DUANE RAVER, Education Division
N. C. Wildlife Resources Commission

Hunting and fishing are big businesses in this country of ours. Tar Heels spend over \$150,000,000 each year in the pursuit of fish and game. Out-of-state sportsmen raise the total even higher. Many of the state's large industries don't generate that kind of income. That is big business and good business.

The reason is simply that North Carolina is unequalled anywhere in the nation in the variety of fish and game available to sportsmen. You can catch trout-brook, brown or rainbow--in the mountainous "Land of the Sky," or quarter-ton marlin at the edge of the Gulf Stream off Cape Hatteras and Cape Lookout. In between is a variety of upland and migratory game ranging from Russian wild boar to bear, deer, wild turkey, to ruffed grouse, bobwhite quail, rabbits, squirrels and woodcock.

Five major watersheds provide fishing for bass, bream, pickerel, redbreast, crappies and seagoing species such as striped bass, shad and herring. Reservoir fishing varies from walleye, white bass, smallmouth bass and rainbow trout in the far west to largemouth bass, bream and crappies in the central and eastern sections, with Kerr and Gaston Lakes featuring good fishing for landlocked striped bass at times. In addition, there are something like 100,000 farm ponds and mill ponds in the state for people who don't go in for expensive tackle or long fishing trips.

Wildfowlers in North Carolina can choose from a variety of migratory game birds, ranging from Canada geese to mourning doves. The seasons are long and bag and creel limits are liberal in most cases. You can hunt at least one species of native game from the middle of October to the end of February, and migratory birds for over two months. There is no closed season on any game fish except mountain trout.

Add our wonderful climate to these other assets and it's easy to see why hunting and fishing are big businesses in North Carolina. Industries locate here because employee morale goes beyond good salaries, good roads, good schools and good churches. Morale is also affected by the quantity and quality of outdoor recreation available for the leisure hours. North Carolina carries on a progressive wildlife conservation program designed to make this a better state for desirable industries and their employees to locate, live and grow.
